► The Board met for execution of an inter-local agreement with WICC (Western Interoperable Communications Consortium). Present were Civil Counsel Karen Mahar, DES Ron Nicholas and Erik Hoover. Commissioner Alan Thompson was not present for this meeting.

Commissioner Grandstaff called the meeting to order.

Ron stated about three years ago they started with WICC and signed an agreement to be a member of the consortium. It allows the county to benefit from the statewide communication system. They have built new sites and it is very expensive. It allows for FBI, highway patrol and the Sheriff's Office to communicate with other options than a hard phone line. He stated without it Ravalli County would not get their services. Commissioner Rokosch stated the county might get some financial assistance with infrastructure in the future as a benefit from this.

**Commissioner Rokosch made a motion to execute the inter-local agreement with Western Interoperable Communication Consortium. Commissioner Driscoll seconded the motion. All voted 'aye'.**
